Dear Mark,

I am in Cardiff this week. We got to Cardiff in the car and it was hard to park.

At the end of the road, there is a big park. It is not too far so I ran. It got dark at six o'clock and I saw lots of stars.

At the end of the week, we will go to a farm. I might meet a dog with a big bark. In the barn, we will see lots of pigs. Mum said that we can get a jar of jam for you too.

I will see you when I am back.
