Introduction

What is a Language Portfolio?

The *Headway* 5th edition Language Portfolio is a document to help you learn languages more effectively. It helps you to think about how you learn, and provides a record to show other people your language abilities and progress.

It has three sections:

- the Passport
- the Biography
- the Dossier

The Passport is a summary of your language learning experiences, including time spent abroad, courses attended, certificates gained, and books you've used. There is a self-assessment grid for each language skill area (graded from CEF levels A1–C2), to help you decide on your current language level.

You show this section to other people when changing schools, or applying for a job.

The Biography is a summary of your language learning history, including the languages you've grown up with, your language learning experiences at school, and how you use your languages now. There are also suggestions on how to become a more effective learner. This section also contains a CEFR checklist of 'Can do' statements.

This section helps you to plan your learning, think about how you learn, and improve the way you learn.

The Dossier is the section where you collect examples of your work. This helps you to record your progress.

How to use your *Headway* 5th edition Language Portfolio

The main aim of the Portfolio is to present language qualifications and learning experiences in a clear and comparable way. This means that when students move around Europe, for study, business or travel, they can take their Portfolio with them as proof of learning.

This means that it is important to keep the information in your Portfolio up-to-date.

Updating your Portfolio

Language Passport: Complete this section soon. Update it every three months.

Language Biography: Update this more regularly, e.g. at the end of each unit.

Dossier: Add new pieces of work to the Dossier as frequently as you want – for example if you write a letter in class, or a review for homework.

Language Passport

How to use your Language Passport

Your Language Passport is a record of your language qualifications and experiences. It is also where you assess your overall language level. As the Language Passport is proof of your language abilities, you can show it to potential employers, when you apply for a language course, or when you change schools.

Keep this section up-to-date.

Use the following grids to help you complete your Profile of language skills.

Common reference levels A1 and A2

	CEFR level A1	CEFR level A2
Listening	I can recognise familiar words and very basic phrases concerning myself, my family and immediate concrete surroundings when people speak slowly and clearly. I can ask and answer simple questions in areas of immediate need or on very familiar topics.	I can communicate in simple and routine tasks requiring a simple and direct exchange of information on familiar topics and activities. I can handle very short social exchanges, even though I can't usually understand enough to keep the conversation going myself.
