My name is Steve Speedman, and I am a champion athlete. I live in a large house in Chicago near the lake in the fresh air. A healthy life is important to me – I eat a lot of fruit, especially oranges and grapes. Last year I went to Tokyo for a competition – it's one of the biggest cities in the world. In Tokyo I won three medals: gold for javelin and silver for discus and high jump. After the competition I felt really tired but happy. Now I'm going to take a break. I'm going on summer vacation to do some water sports – water-skiing and snorkeling. It's going to be great!
