

I'm thrilled to share my teaching journey with you. With a rich background in education, I'm committed to fostering a learning environment that encourages growth, curiosity, and success.

Education and Certifications: I hold a Master's Degree in English Language Teaching from the Azad University. My passion for education led me to pursue further certifications, including ITTI TESOL.

Teaching Experience: Over the past 10 years, I have had the privilege of teaching at many institutes and language centers, where I've worked with students across various age groups and educational levels. My experience spans from teaching kids to adults and also different skills from conversational English to Business and Academic English.

Teaching Methodology: My teaching methodology is student-centered, focusing on creating engaging, interactive lessons tailored to individual learning styles and needs. I believe in incorporating a blend of traditional and innovative teaching techniques. My aim is always to make learning accessible and enjoyable, encouraging students to actively participate and apply their knowledge in real-world contexts.

Continued Professional Development: Dedicated to my professional growth, I regularly attend workshops and seminars, enhancing my teaching practices and staying updated with the latest educational trends and technologies.

Why Choose Me: Choosing me as your educator means partnering with someone who is not only knowledgeable and experienced but also genuinely passionate about helping you achieve your academic goals. My comprehensive approach to education ensures that you receive personalized attention and support, making your learning experience both effective and rewarding.
