

Level 4 Decodable Stone Age Bread Recipe

Level 4

Adult Guidance

In addition to the ingredients listed in the decodable recipe, you can also add 100g walnuts and 100g sesame seeds. Olive oil is recommended as the oil to be used in this recipe but coconut oil also works well.

The children will need the following equipment to complete the recipe: spoon, mixing bowl, baking tray lined with greaseproof paper.

This recipe should be cooked in the oven for about 1 hour at 160°C.

Please check the allergens of your class before using this recipe.
