

Planet Play Board Game

Level 5

You will need:

- Planet Play Game Board
- Spaceship Counters
- Dice
- Planet Word Cards

Before you play:

- This game is for 2-4 players.
- Cut out the dice net and glue the tabs together to make a cube.
- Cut out the counters (one for each player).
- Cut out the Word Cards, fold along the dotted line and stick the two sides together, so that the cards are double-sided.

How to play:

1. Place the counters at the start of the game on Jay's planet.
2. Take it in turns to roll the dice and move around the board.
3. If you land on a space with a planet on it, pick up a Word Card. If you can read the word correctly, you can move on one space. If not, you stay where you are.
4. The first person to reach planet Earth is the winner!
