

I can
remember to

share and take
turns

I can
remember to

stand in line
quietly

I can
remember to

listen
carefully

I can
remember to

put things away

I can
remember to

use my indoor
voice

I can
remember to

put my hand up

I can
remember to

walk, not run

I can
remember to

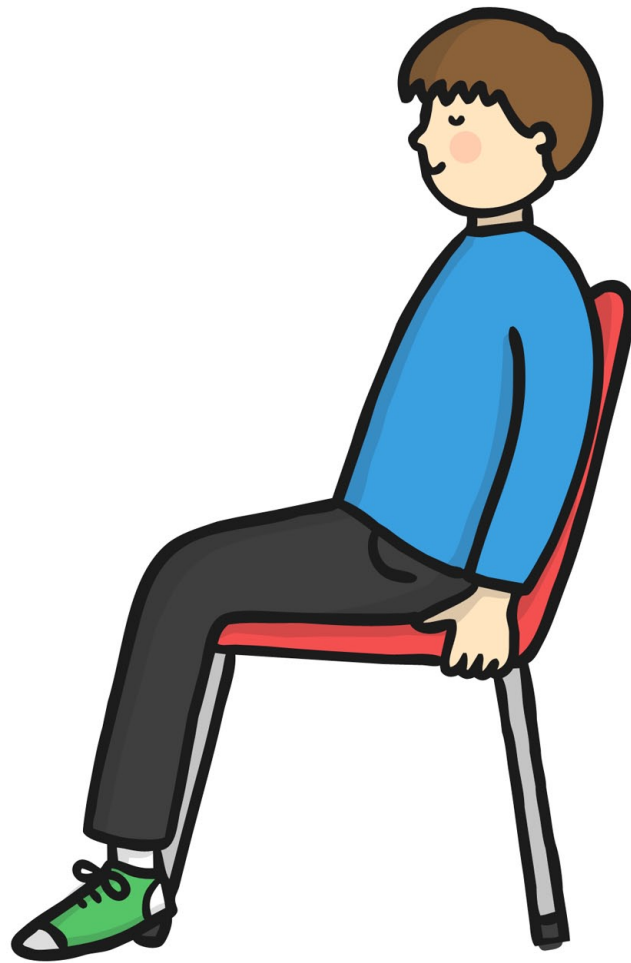

keep
my hands and
feet to myself

I can
remember to

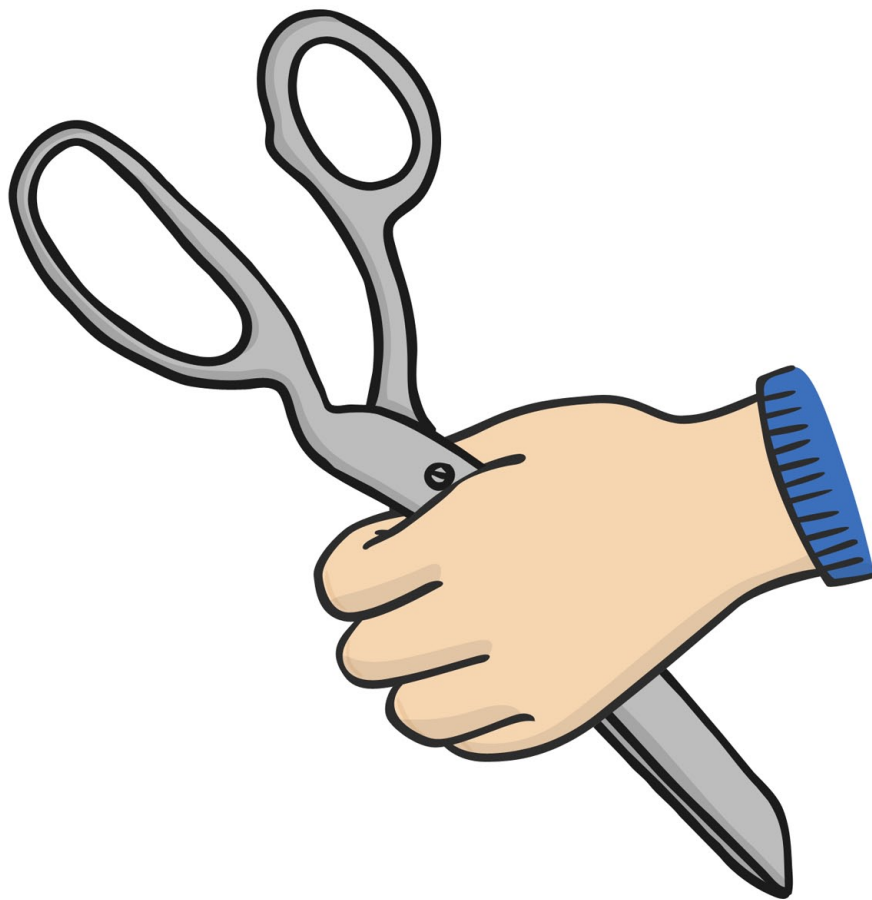

help others

I can
remember to

stay in my seat

I can
remember to

hold scissors
pointing down

I can
remember to

be polite
