

Maya's Fish

For Maya's sixth birthday, her Mum took her to the pet shop. Maya picked out a pink and yellow fish from a colourful fish tank. Maya named her pet fish Shelly. The next day Shelly looked sick. Maya was worried. She went back to the pet shop. Maya bought some colourful plants. When she got home, she put the plants in Shelly's tank. The tank looked like Shelly's old home at the pet shop. The colourful plants made Shelly swim happily around her new tank.
