

# Australia

## Classification

The Aboriginal and Torres Strait Islander Peoples were the first people to live in Australia. The main language that is spoken within Australia, is English. Australia is a very multicultural country, with people from different countries living here.

## Flag

The Australian flag is blue, white and red. There are six stars on the flag. Five of the stars make up the Southern Cross. The Southern Cross is a symbol of Australia being found in the Southern Hemisphere. The seven-pointed star represents the different states and territories of Australia. In the top left-hand corner of the flag is the Union Jack. This symbolises Australia's connection to England and their rules.

## Food

In Australia, there are all different kinds of foods. This is because Australia is very multicultural. As people moved to Australia from different countries, they brought their traditional foods with them. Australians are well-known for eating yeast extract spread, prawns, meat pies, tomato sauce and barbecue food.

## Landmarks

In Australia, there are many landmarks like Uluru, Sydney Harbour Bridge, the Sydney Opera House, and the Great Barrier Reef. People from all over the world like to visit these landmarks because they are all so beautiful. When people visit these landmarks, they must remember that there can be certain rules to obey in order for these to stay special for a long time.
