

- How does our learning help ourselves or others?
- How will we use what we have learned to make a difference?
- What do we feel most passionate about from our inquiry?

- What do we understand about the Central Idea?
- Have we shared our learning effectively?
- Did we answer all our questions?

- Have we found enough information?
- Have we considered other points of view?
- How will we show our learning?

- 
- What do we know?
 - What do we want to learn?
 - What experiences do we have with the topic?

- What resources do we need?
- What are the key words we need for research?
- Where can we find our information?

- What is the relevant information?
- How can we organise our information?
- Have our ideas changed?
