

The Mystery Garden

Miles is excited. Today is the day his mystery garden is ready to harvest. Grandmother mailed him some mystery seeds. She said it was to grow a mystery garden. Miles planted the seeds. He watered the seeds and pulled the weeds. Miles has waited for weeks. What is growing in the garden? Miles hurries outside. He carefully pulls up the first plant. It pops out of the ground. It is a carrot. The mystery is solved! Miles has a carrot garden. Carrots are Miles' favorite vegetable. What a surprise!
