

# The Rescue

Layla was asleep and heard a noise. Something hit her window. She went to check and saw a bird. It was lying on her windowsill. The bird was hurt. Layla ran to tell her mom. Her mom went to the garage. She got the ladder. Her mom climbed up and got the bird. Mom said, "The bird needs to go to the vet." They drove to the vet. The vet examined the bird. It had a broken wing. The vet bandaged the bird's wing. The bird would be alright. Layla was proud. She helped rescue the bird.
