

# My Daily Routine Clock

## You will need:

- card stock paper (recommended)
- scissors
- split pin
- hole punch
- small self-fastening dots
- clock cut-out
- hour and minute hand cut-outs
- circular picture cut-outs
- laminating film (optional)
- laminator (optional)

## Instructions:

1. Cut out the clock face and hour and minute hand cut-outs.
2. Punch a hole in the center of the clock using a hole punch or scissors.
3. Punch a hole in the center of the hour and minute hands using a hole punch.
4. Attach the hour and minute hands to the clock using the split pin.
5. Cut out the routine pictures.
6. Attach the self-fastening dots to each circle on the clock face and on the backs of each routine picture.
