Persuasive Writing

Features of Persuasive Writing	✓
Decide which viewpoint you are going to take on the topic.	
Introduce your topic in the first paragraph by stating your opinion and your reasons for that opinion.	
In your 'reason' paragraphs, begin by stating a reason for your opinion, and then provide more detail. Remember to miss a line between each paragraph.	
Finish with a conclusion paragraph. Restate your opinion and summarise your reasons.	
Use a variety of conjunctions to add detail.	
Use a variety of sentence and paragraph starters to keep the reader engaged.	
Use a variety of simple and compound sentences.	
Use some complex sentences.	
Check punctuation, spelling and capital letters.
