

Shopping

- Look at the picture. Talk about what is going on in the picture.
- Have you ever been to a place like the one in the picture before?
- What things can you buy in a supermarket?
- What different areas are there in the supermarket and what would you find in them?
- Which area is your favourite when you visit the supermarket?
- Name the supermarkets near where you live.
- Which supermarket does your family visit most often?
- Where do you pay for the things you buy in the supermarket?
- Who works in the supermarket and what jobs do they do?
- How do the cashiers know the prices of the things in the supermarket?
- How do you carry things around the supermarket?
- How do you carry things home from the supermarket? Do you use plastic bags or reusable ones? Which ones are better, do you think?
- When someone pays for their shopping what does the cashier give them?
- What would you find outside the supermarket?
- If you could not go to the supermarket, how could you buy your food another way?
- If somebody had a complaint to make about the supermarket, who might talk to them about it?
