

The library

- Look at the picture. Talk about what is going on.
- What is a library and how do people use it?
- When people go to the library, how must they behave? Should they be quiet or loud?

Give reasons for your answers.

- What types of books can you find in a library?
- Which section of the library do you like best? Why?
- What is your favourite book? Give a summary of it.
- Who is your favourite author? Why do you like this author's work so much?
- Who works in a library and what do they do?
- If you want to borrow a book in the library, what do you have to do?
- Do you ever borrow books from your local library?
- Where is your local library? How would you go there?
- What are books made from? Where does paper come from?
- If someone was described as a 'bookworm', what would they enjoy doing?
- Is reading a good pastime? Why or why not?
