

Rocket's Packing Checklist

Write a bullet-marked list of the things that Rocket might need to pack in her suitcase. Think about:

what the weather might be like;

the activities she will be doing;

how long she might be going for.

The image shows a large, open suitcase with two pages of lined paper. The pages are divided by a vertical dotted line in the center. Each page has ten horizontal lines for writing. The suitcase has a black handle and straps.
