

The Classroom

- Look at the picture. Talk about what you see.
- What place is shown in the picture? Does this look like the place you are in at the moment? Give reasons for your answer.
- Who would normally be in this place? What work would they be doing?
- Name the equipment you see in the picture. What is this equipment used for?
- How many children are in this class usually? Why do think so?
- Are there any creatures in the classroom? Who takes care of them, do you think?
- Is it morning or evening time? How do you know this?
- Describe where you think the teacher's desk is. Why do teachers put their desk in a special place in the classroom?
- Where do you think the class is at the moment and what activity could they be doing? Do you ever leave your classroom for activities?
- What would you like to add to this classroom to make it a better place for children to learn? Give reasons for your answer.
