

The School Bus

- Look at the picture. Talk about what is going on.
- Where are the children going to? How do you know this?
- Do you use this type of transport to get to school? If you do, describe what it's like. If you don't, describe how you get to school.
- Who drives a vehicle like this? What do they need to remember to do their job well?
- Why do you think children like travelling together like this?
- Why might parents like their children to use this type of transport?
- What other types of buses can you think of?
- List the other types of transport that people use to go places.
- What is your favourite type of transport? Explain your answer.
- What important safety rules would the driver and children need to follow to stay safe on the school bus?
- Would you like to be a driver when you grow up? What type of vehicle would you most like to drive? Give reasons for your answer.
