

This Is My Family

Hi, I'm Sam! This is my family. I have a small family. We're very happy because we do lots of fun things together. We live in Manchester, in England.

This is me. My name is Sam and I'm 12 years old. My favourite colour is green and I like riding my bike. Every day, I get up early and have a shower. I have cereal for breakfast and then I walk to school with my dad. In the evenings, I dance at my dance class. At the weekends, I always go to the park with my friends.

This is my sister. Her name is Josie and she's 16 years old. She's a student in school but she wants to be a doctor. She does a lot of homework because she needs very good grades.

This is my dad. His name is Andy. He's an amazing dad. He's a teacher in a school, but he really loves cooking. Every day, he walks to school with me. In the evenings, he makes pizza or plays the guitar with his friends. He wants to be in a band!
