word searches

What is this resource and how do I use it?

Simply print the game board, grab a couple of counters and you've got a fun game perfect for practising early words. Each player rolls the dice and moves the corresponding number of places. They then read out the word - if they get it right, they stay on that space. If they get it wrong, they move back to where they were.

What skills does this practise?

Sounding Out

Taking Turns

Letter Recognition

Further Activity Ideas and Suggestions

For some more fun games and other early literacy activities, check out our [Reading Area](#) - you'll find code breakers, ebooks, parent guides for reading and many more engaging activities to challenge your little one.
