

# 1, 2, 3, 4, 5 Once I Caught a Fish Alive

One, two, three, four, five,  
Once I caught a fish alive.  
Six, seven, eight, nine, ten,  
Then I let it go again.  
Why did you let it go?  
Because it bit my finger so.  
Which finger did it bite?  
This little finger on my right.
