

Crack the Easter Code! Help Sheet

Each of the eggs you find holds a message which can only be decoded with the help of a famous poem, play or novel.

Find the answer to the clue given on the Easter egg. Once you have found it, you must first take out any duplicate letters, punctuation or spaces. So:

To be or not to be: that is the question becomes

t o b e r n h a i s q u

Then, we give a number to each of these letters:

t	o	b	e	r	n	h	a	i	s	q	u
1	2	3	4	5	6	7	8	9	10	11	12

Then, we write out the alphabet and insert the above numbers in first:

A	B	C	D	E	F	G	H	I	J	K	L	M
8	3			4			7	9				

N	O	P	Q	R	S	T	U	V	W	X	Y	Z
6	2		11	5	10	1	12					

Next, we continue counting, starting at the beginning and filling in the rest of the gaps in the alphabet:

A	B	C	D	E	F	G	H	I	J	K	L	M
8	3	13	14	4	15	16	7	9	17	18	19	20

N	O	P	Q	R	S	T	U	V	W	X	Y	Z
6	2	21	11	5	10	1	12	22	23	24	25	26

Finally, we use the grid we have created to crack the code. So:

25,2,12	7,8,22,4	13,5,8,13,18,4,14	1,7,4	13,2,14,4
YOU	HAVE	CRACKED	THE	CODE
