period of time  
turkey without it! It looked so \_\_\_\_\_ when I saw it bubbling in  
adjective  
the \_\_\_\_\_. I sat down next to my \_\_\_\_\_ at the  
noun family member  
\_\_\_\_\_. There were just a few moments left before we could finally  
noun  
start \_\_\_\_\_. We all took turns to say what we were thankful for and  
verb  
then began feasting! Everyone was \_\_\_\_\_ the food to each other, but  
verb  
I couldn't wait to get my \_\_\_\_\_ on the cranberry sauce! I finally poured  
body part  
it all over my \_\_\_\_\_ and took a \_\_\_\_\_ bite! Oh my! The flavor  
food size  
that came from that sauce was definitely NOT cranberry! YUCK! I quickly  
verb  
\_\_\_\_\_ to the kitchen to find out what it was. It turns out that my  
grandma cooked a red \_\_\_\_\_ instead  
household object  
of the cranberry sauce! Needless to say,  
I will never eat cranberry sauce again!
