

Context Clues PowerPoint Game

This PowerPoint game helps your students understand what context clues are and gain a better understanding of how to infer meaning from sentences.

Context clues are a fantastic skill to learn for young readers. This skill will help children improve their reading comprehension and will bleed into other aspects of their life, such as an increased vocabulary, more academic success, and an easier time determining the context of social situations.

Below you will find links to both PowerPoint and Google Slides for you to use in your classroom setting.
